FRIDAY, DECEMBER 14, 1866.

NEWS OF THE DAY. A census of Montgomery, Alabama, recently completed, giver 5,525 as the white population, and 7,536 negroes, making a total of 13,062 Mrs. Julia Ann Cahill, and three of her grandchildren, lost their lives in a burning house at

Deavenport, Iowa, on Sunday. barked at this and other Irish ports for America, Hon, John Hogan, Democratic Congressman from the St. Louis District, has instituted a suit against the Chicago Tribune Company for damages to the amount of \$50,000, for an alleged landerous publication.

It is again stated that James Stephens has been seen in New York within a few days, and that all combility of his reaching Ireland to commence a revolution is part. The final appointment of the Committee of

he New Orleans riots has been made, and it now consists of Elliott, of Massachusetts, Shellenberger, of Ohio, and Taylor, of Tennessee. The Texas Senators elect, laid before the President, on the 10th inst., a vast amount of inemation relative to the interference by the ailitary with local civil courts in that State, The President said he would lay the whole subest before the Cabinet. Nathaniel Paschall, senior editor of the the

printing business as an apprentice in the Repubcan fifty-two years ago, and was the oldest editor west of the Mindssippi river, if not west of the Allegheny mountains. He was regarded one of the best and most influential citizens of t. Louis, and was universally esteemed. The publication of the official correspondence elating to the capture of Sarratt has elleited inuirles as to the whereabouts of the witness

Welchman, who is put forward in a new light In the statement of the convergations held with Surrett, the witnesses add their belief that Weichman, the principal witness in the conspiracy trial, was one of the principal conspirator He lately resigned his office in Washington and went to Philadelphia. Official reports from Florida indicate comide

able ill-feeling between the citizens there, arising from the possession of confiscated property, par es who purchased real estate at Confederate confiscation sales refusing to relinquish their laims ito frefuges owners. The courts in some counties sustained the holders of such property. but issued write of election against porsons holding property confiscated and sold by the United thinks the troops cannot be safely removed. By telegraph from Rome, dated the 12th inst., we have the following highly sensational story: The man who gave the information about John Marie. He betrayed Surratt through jealousy He says that Surratt told him that Lincoln's mond the principal details of the plot to Wash ington, and the assassination was not only in accordance with the desire of Davis' Cabinet, but was done by their directions and orders." Barracks are going up at Grenada, Misslasippi, for a permanent garrison for United States troops. It is said that Jackson, Vicksburg, and The Major General commanding says it is simply o assist the civil authorities in maintaining law. Major General Wood has been complimentarily addressed by the Grand Jury of Marion county execution of his duties, to which he replies: "It is the desire of the army that the civil authorities shall be entrusted with the execution of the

A dispatch to the Memphis Avalanche, Little Rock, says: The report of the Senate Committee on the amendment gives the following reasons for their objections: Arkunsus does not know that the amendment was adopted by and the laws of war. This is substansuch a Congress as the constitution provides, as one-third of the States were unrepresented. Second-It was never submitted to the President for his sanction, as the constitution requires. ey" of the Radicals than any other man Third-The enermous power sought by Congress, which would virtually abolish all the local, do mestic and State laws. Fourth-Itsefforts to force an abandomment of all charges against negro suffrage on the States, as shown by the Mr. Davis, for as a belligerent he has vio second section. Fifth-The third section dis- lated no law of nations nor any of the franchises the wisest and best citizens, who, having performed all the conditions of their surender and the general amnesty, are entitled to restoration to their rights and privileges as they at the commencement of the first session existed before the war, and there are no reasons for believing its adoption would secure such a restoration. The report recommends a quiet and of Representatives know no such State as dignified course of endurance rather than purtishe State of Tennessee, and that the chase restoration at the sacrifice of principle and

nor that he had been guilty of treason. His A dispatch from Cork, Ireland, dated the lith offense was that of a belligerent, not of a inst., says a large number of Fenians have amtraitor. He (Mr. Stevens) had not opposed the efforts to bring Mr. Davis to trial, but he had not favored them. He was utterly opposed to any legislation of the kind preposed, which would make the mode, time or place of trial different from what they were when the offence was committed." In the regular telegraphic avnepsis of

the proceedings of the House of Representatives Mr. Stevens is reported substantially as by the Enquirer's corres ondent, as follows : ...

" Mr. Stevens, of Pennsylvania, obtain

the floor, and said : Mr. Speaker, I reach with great district all bills of the and which are evidently brought forward for the purpose of ascertaining how we ca convict men whom we cannot convict an der the laws existing when the crimes were committed. I do not believe that it be omes this nation. I do not believe that i s safe for us to undertake to pass laws by which we can or may be able to punish n however guilty, that could not be punished under the laws existing when the crime were committed. Could we now change our constitution so as to change the place of trial of traitors -- to say that the ven might be changed, and that they should be tried by jurors summoned from another baillwick? The constitution and our laws provide very carefully that, especially in he case of treason, the party charged with ime must be tried where the overt act ertained by law. A law which propose change that in any respect looks to me urder that I have always been afraid t attempt it. I am afraid that the traitors in he South, if tried under our existing con stitution and laws, will not one of them be onvicted. I would never altempt to try

gal one, and must be settled by the ourts. No military officer at any time had the power to exact a bond from a hem for treason. I would try them a railroad company that it would not preelligerents, under the law of nations and sent to the government whatever claim it might think just. The Quartermaster This is rather a singular position to General nor any of his underlings had my nuthority or show of right to impose of Representatives to assume. His party my such conditions. The roads and matehas persistently demanded the trial of rial which the government found upon Jeff Davis for treason, but for some reathem are private property. The government has no right to use it could never being their Chief Justice up without making compensation. elaims of this character, by judicially trial of "the lone prisoner of Fortress proving the disloyalty of the stockholders Monroe," the great head centre of the and condemning the property. Radicals in the House of Representatives We have no idea that the President has declares that he would not attempt to try ione anything in this matter to the detri-Mr Davis for treason, because he could ment of the government. We trust that he will permit it to be settled fairly and and laws. This is, indeed, a remarkable souitably, and if necessary by the legal

> EXPEDIENCY VS. PRINCIPLE GOV The following is the much-talked-of nessage of the Governor of Alabama, reommending the adoption of the proposed

constitutional amendment: EXECUTIVE DEPARTMENT STATE OF AL-ABAMA, Montgomery, Dec. 6, 1866,—Gen-tlemen of the Senate and House of Representatives; Events of vast importance are now transpiring which bear with pecuustains to the Union.

To these events we cannot be indifferent. They are of so vital a character that we should give to them a calm and deliberate As the Chief Executive of the State,

feem it a duty under the constitution. express in form, the apprehension, which you doubtless share with me, lest the stability of our affairs be suddenly broken

There is an unmistakable purpose upon the part of those who control the National Legislature, to enforce at all hazards, their own terms of restoration.

titled to no rights or privileges except The means which they propose, threaten at once reverse our progress towards the establishment of that permanent tranquility which is so much desired by all. To do so, louse of Representatives he assumed a s to immeasurably augment the distress which now exists, and to inaugurate con-fussion, the end of which no human preposition which necessitated an abandonience can foresee. To-day the cardinal principle of restora-

tion seems to be favorable action upon the roposed amendment to the constitution, which I transmitted to you in my annual Upon the merits of that amendment m iews are already known. They are founded on principle, and are unchanged.

furing the whole of the war, it has now The necessity of the case, I am now nstrained to think, is different. We should look our true condition full in the gramme of the Radicals. They want ome semblance of reason, however faint "therefore, recommend anew to your t may be, for the blotting out of existence en sovereign States and handing them wer to the control of the late negro

deration this measure in the light in which it now presents itself, or such other measure as your wisdom may suggest slaves in those States. The Republican full restoration should follow, we may trust to time and the influence of our representatives to mitigate its harshness. If, on the other hand, admission be delayed, the warning to our sister States, may be relied upon to prevent that concurrence on their part, which alone can give the measure practical effect. After the confession of Thad, Stevens, Having done all, we may then commit

urselves tom just God-R. M. PATTON. Some ten days ago we laid before our readers the conclusion of an elahorate argument by this same Governor, opposing the adoption of the amendment. The cause of the change is not stated; but some of our Alabama contemporaries attribute it to the presence in Montgomery of a couple of Northern politicians, who influenced him to give up principle for a doubtful and temporary expediency. It is gratifying to know that this message had no influence upon the representafives of the people of Alabama, and that the vote in the Legislature upon the adoption of the amendment was almost unani-

Judge Stony, in closing his commentaries on the constitution of the United States, gives the following view, which should never be forgotten by the great body of the American people :

"Republics are created by the virtue, rights of a citizen in a government of the rights of a citizen in a government of the character we have for three quarters of a from the public councils, because they dare to be honest, and the profligate are rewarded, because they flatter the people in order to betray them."

East Tennessee can't complain of the present Legislature being wanting in liberality. This, added the name and form of the Mexican Rehas made greater States, than Colerado

AL AMENDMENT IN ALABAMA.

From the Montgomery Advertiser, Dec. S. Vashington, Dec. 13.—Senate.—The Both houses of the Legislature has rejected the constitutional amendment by ion matches, by stowing them in fi ote of 27 to 2, in the Senate, and 60 to 8, proof safe's, was passed.

Mr. Howe offered a resolution, instructin the House. In the Senate, Mr. Barnes, Chairman of the Judiciary Committee ing the Committee on Public Lands to re eported joint resolutions recommending port upon the expediency of printing the report of the Commissioner of the Land rejection of the amendment, and the consideration of the report occupied most of flice for the year ending June, 1866, in the the attention of that branch of the Legisdifferent foreign languages, for distribution lature. The two Senators who voted in faat the Paris exhibition.

The District suffrage bill was taken up.
The question was on Mr. Dixon's amendvor of ratification-Messrs. Felder, of ntgomery, and Sykes, of Lawrencemade lengthy explanations of the votes ment, to attac's the qualification of reading ments were made on the part of Senators Mr. Cowan opposed the amendment, and who voted for concurrence in the report. Mr. Foster spoke in its favor. On the reception of the Senat's action in House.-Mr. Paine Introduced a bill to erect a light house at the entrance of Menly taken up for consideration. On the

nestion of reading the resolutions on three several days, the Speaker decided that such a reading was unnecessary; that concurrence in the Senate resolutions would be mere negation and not have the force and effect of a law. An appeal being made stained the decision. Pending the conideration of the resolutions there was a considerable display of parliamentary actics, during which several efforts were made to postpone final action until after the legislative recess. Mr. Morre, of Choetaw bmitted a resolution to refer the subjecto the people for instructions, while Mr otter, of Cherokee, desired to postpone mittee on Ways and Means in order that Congress might submit as imatum, to be further submitted to the people of the State, which were voted the Judiciary Committee. own, it being the evident determination of the majority to dispose of the main ques tion at once. to enable her to resume her former rela

A BOARD HAS BREN RECENTLY APne and report to Washington upon clasims of
this character. The President of this Board, is
in Nashville, and has fitted up an office. The
other members of the Board are expected this
week and the business will commence at once.

We have organized a Branch Office, in this
city, for the purpose of prosecuting this particular class of claims. Our House has been engaged for the past two months in preparing and
prosecuting these claims before the Miscouri and
Kentucky Commissioners, and in familiar with
all the rules and decisions there made, as well as
the most recent rulings of the Secretary War on
the subject. Two Daily Through Trains, Staking Birect Connections at Lonisville for the East, West and North. COMMENCING NOVEMBER 30, 1866, Trains will run as follows: No. 1. No. 2. the most recent rulings of the Secretary War on the subject.

We, therefore, offer our services to Attorneys, Agents, and Claimants, throughout the State, believing we only unusual facilities for serving them. These claims will be examined first by the Board, but final action can only be taken by the proper Bepartment at Washington.

Our surpose is to attend personally before the Board in Tennesses, the better to enable us to serve clients at Washington.

We desire one or more correspondents in each county, with whom we will divide fees. And we will furnish to them all needed blanks and printed instructions, and keep them fully informed from time to time of the action of the Board.

We furnish individual claimants, blanks and full instructions to enable them to prepare their Arrive at Bowling Green, 8:00 A M
